1       The Court has considered the factors set forth in *Oregonian Publishing Co. v. U.S. District Court*  
2 *for the District of Oregon*, 920 F.2d 1462 (9th Cir. 1990). The Court finds that, for the reasons stated in  
3 the government's request, sealing these documents serves a compelling interest. The Court further finds  
4 that, in the absence of closure, the compelling interests identified by the government would be harmed.  
5 In light of the public filing of its request to seal, the Court further finds that there are no additional  
6 alternatives to sealing the government's motion that would adequately protect the compelling interests  
7 identified by the government.

8       IT IS SO ORDERED.
